Nestled in an established neighborhood halfway between Orlando and Daytona Beach, this 2-bedroom bungalow has it all: Lots of privacy, a screened-in pool, a manicured front yard, and a great interior layout. The curb appeal here stands out, as the home has an immaculate screened-in carport that includes a storage area with built-in shelving. Inside the front door, you are greeted with lots of natural light, plus laminate & tile flooring (no carpets here!) The living room overlooks the pool and offers access to the double Florida room at the rear of the floorplan. This versatile space could be another living room, home office, or workout area. The fenced-in backyard here is nearly maintenance-free! The lovely pool is screened in, and there's plenty of space to lounge around the concrete deck. Back inside, the kitchen features tons of cabinet/counter space and a dining nook - which also leads out to the Florida room. The primary suite boasts a large walk-in closet, plus an ensuite with a long vanity and step-in shower. The spacious guest room and second full bathroom are just down the hall. Breezewood is a sought-after neighborhood that's close to everything. You can walk to lots of restaurants & retail stores along South Volusia Ave., while Publix, Walmart & more are located less than 10 min away by car. Just half an hour to the beach! New residents are arriving in Central Florida in record numbers, so this MOVE-IN-READY home (with a pool!)will not last long! Take a tour before someone else does.
